Charting New Territory

Not only is Grey Bruce Health Services getting one of the newest MRI machines in the country, but its MRI director is helping chart new territory for imaging standards throughout the region.

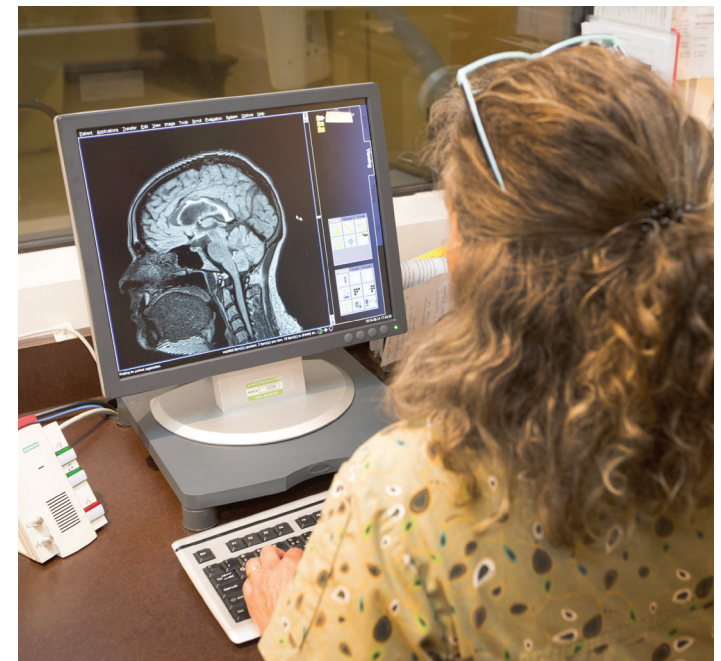

Dr. Christian Baldauf is the physician lead for the Southwest LHIN's Medical Imaging Integrated Care Project, focusing on optimizing access to MRIs, standardizing the quality of imaging and improving appropriateness for patients.

He calls MRIs an essential service now, and it's much more efficient if a test doesn't have to be repeated for patients seeing specialists in other cities.

"One of my goals with this new technology was to ensure that surgeons at the larger hospitals who receive our patients for high level surgery are happy with the quality of imaging that's been provided by GBHS."

Given GBHS's distance from larger hospitals in the LHIN, "we've been given a lot of responsibility to make sure that our imaging is at a very high level for a community hospital," Baldauf said.

He added that the local radiologists are well respected and are very passionate about their work. In radiology, "we're the eyes, we see things before anybody else sees them. The surgeon will eventually see things directly with his own eyes, but we're the ones that help determine whether the person goes to surgery. They're definitely relying much more on radiologists to give them the information, and the technology is amazing. Obviously we have to enjoy and love what we do, and I know all the radiologists in our department have that same passion that I have."

Owen Sound Regional Hospital MRI staff takes a look at a patient scan.

Baldauf noted that the timing of the imaging overhaul couldn't be better, with GBHS's new MRI machine on the way.

"We're trying to make imaging smarter as we get to the next MRI level. With the new MRI coming in, it's even faster, smarter and more efficient, so we want to make sure we develop really good parameters on how we use the magnet and how we utilize the resources that are paid for by taxpayers' dollars."

Baldauf will continue his work on the LHIN project, which next will address CT standards. He's been with GBHS for more than 14 years.

FOUNDERS

These donors have given every year since the Hospital opened. They are an exclusive group that can never be added to.

THANKS *for Your Support*

Derek Smith, Foundation Chair

As my two year term as Board Chair comes to a close, I would like to acknowledge how proud I am to have been part of this organization. The generosity we see on an annual basis makes an incredible difference in the health care we receive right here in Owen Sound.

On behalf of the Owen Sound Regional Hospital Foundation Board of Directors, I extend our

sincerest gratitude for everything you, our donors, continues to contribute to our organization. Your generosity continues to support the purchase of priority medical equipment which yields faster, more accurate diagnosis, and enhanced patient safety.

Your support is notably appreciated by all of us living and working here in Grey and Bruce Counties

THANKS *to our volunteers and staff*

As our 2018/19 year has now come to a close, I would like to take this opportunity to thank the entire Owen Sound Regional Hospital Foundation Board of Directors who volunteer their time and unique skills assisting with the administration and fundraising for the Owen Sound Regional Hospital.

This foundation would find many challenges in advancement if it weren't for our dedicated, and hardworking event volunteers. These volunteers help to make the Owen Sound Subaru Bayshore Race, Charity Golf Classic, Curling Bonspiel the successes they are. Thank you volunteers!

A special thank you is owed to those who fundraise on behalf of Owen Sound Regional Hospital Foundation. Your time and commitment to our organization is commendable.

Finally, on behalf of the Owen Sound Regional Hospital Foundation Board of Directors, I sincerely thank our team of knowledgeable staff – Amy, Lori, Tiffany, Willard, Brenda and Shelby - for their continued leadership, expertise and passion for the future of health care in Grey & Bruce Counties.

*Derek Smith, Board Chair
Owen Sound Regional Hospital Foundation*

THANKS TO OUR DONORS FROM GBHS

Dear Donors,

As our 2018-19 fiscal year draws to a close at Grey Bruce Health Services, we have plenty to be thankful for at our six hospitals. We hosted a grand opening in June to mark the extensive renovation of the Lab at our Southampton Hospital plus the addition of a much larger Emergency Department. We are preparing tender documents for Ministry of Health approval that will lead us further down the planning process to construction of a brand new hospital in Markdale. Here at our Owen Sound Regional Hospital, thanks to the generous support of our donors, we will soon be getting a new MRI. Renovations will begin shortly to house this critical new diagnostic equipment, and staff are excited to have an MRI that will be faster, quieter, and more comfortable for patients. We also made some much-needed improvements to the physical space in our Mental Health department to provide a safer environment for patients and staff, and we are planning for more renovations in the year ahead. Our total approved capital budget for GBHS this year is over \$7M!

It was a busy year across our Corporation, particularly so at our regional hospital. We saw an increase in the number of patients requiring overnight care and the volume of patients in our ER was higher this year. With pressures like these on our healthcare system, it is reassuring to know that our Foundations and our communities continue to provide their amazing support for quality healthcare services, close to home.

I know that there are many organizations that require donor support, and on behalf of our staff, physicians, volunteers and the Board of Directors, thank you for choosing Grey Bruce Health Services. Your generosity provides us with the tools we need to deliver great health care, close to home, and inspires us all to do the best we can to care for our neighbours, our families and our communities.

Thank you again, and have a wonderful summer.

Maureen Solecki
Interim President and CEO, GBHS

Curling Funspiel **RAISES \$15,000** for Priority Projects

Another outstanding curling event in support of Owen Sound Regional Hospital Foundation was held on February 16, 2019 at the Bluewater Curling Club. With a full slate of participants, superb support from community sponsors and a team of enthusiastic volunteers, the funspiel generated over \$15,000 to support priority projects at the Owen Sound Regional Hospital.

“Thank you to everyone who curled, sponsored and volunteered. Everyone involved helped make the day a huge success,” said Dennis Radbourne, Drawmaster and Chair of the organizing committee.

Lead sponsor of the Funspiel was Grey-Bruce Electric Supply. Sheet sponsors included JaLand Construction, Ron Hopper Real Estate Ltd., Bumstead Insurance & Financial, Graham Design & Construction, and Snider’s Sydenham Auction & Appraisal Services. Our Bar & Lounge sponsor was Chambers Food, dinner sponsor was Owen Sound Foodland and Have1.com sponsored our curling rocks. More than 50 local businesses provided auction and raffle items, plus team prizes. The community’s generosity ensured the success of this fundraiser!

Winning the Funspiel overall was the Hot Sliders team, skipped by Torben Hawksbridge with Paul Weitendorf, Lorne Johnston and Frank Lamont.

9th ANNUAL BAYSHORE RACE **RAISES \$40,000** for Anesthesia Machines

The 9th Annual Owen Sound Subaru Bayshore Race took place Sunday, August 26th and generated \$40,000 for the Owen Sound Regional Hospital Foundation.

“Congratulations to volunteers, participants and sponsors for making the Race such a success! The event is great for the City of Owen Sound and for the Foundation,” said Race Co-Director, Greg Nicol.

Our participants were supported by many sponsors including Owen Sound Subaru, Royal LePage RCR Realty, Northridge Property Management, Precision Design, Physiotherapy III, Goodlife Fitness, Meridian Credit Union, McDonald’s Restaurants, Freshii, Owen Sound Fitness and Training, RAM Promotional, Closing the Gap Health Care, along with many other contributors.

2018 Charity Golf Classic raises **\$65,000** for Anesthesia Machines

With a nearly sold out tournament, huge community support and an exceptional amount of enthusiasm, all of our golfers enjoyed a day on the course to help raise funds for the Owen Sound Regional Hospital Foundation. By the end of the day, \$65,000 was raised to support the purchase of 11 new anesthesia machines to outfit each of the operating rooms and MRI suite at Owen Sound Regional Hospital.

“I cannot thank the golfers, sponsors, volunteer event committee, led by Denise Reid, and day of volunteers for making the day happen. And a special thanks to Mother Nature for providing near perfect weather,” said Amy McKinnon, Executive Director.

Major sponsors of the 2018 event were ScotiaMcLeod, Manulife Securities – Martin DesJardine, Leeder & Associates – RBC Wealth Management and Owen Sound Medical Imaging. More than 30 local businesses provided sponsorships and prizes. The community’s generosity ensured the success of this fundraiser!

The 2018 tournament winners were Michael Todd, Jeff Robins, Wim Kruisselbrink, and Jason Ployter.

Since its inception 27 years ago, the Charity Golf Classic has raised over \$1,065,000 to support the purchase of new medical equipment for the Owen Sound Regional Hospital. A huge thank you to everyone involved!

A group of enthusiastic golfers pose for a candid photo at Legacy Ridge Golf Club during the 27th Annual Charity Golf Classic.

GUARDIAN ANGELS ARE LEADING THE WAY

Owen Sound Regional Hospital Foundation set an ambitious \$400,000 fundraising goal this past Christmas, through the Guardian Angel Campaign. It is with great excitement to announce that 3183 donors gave over \$496,300 to support the Owen Sound Regional Hospital Foundation's Campaign! Funds raised through this campaign will directly support the purchase of a new MRI system at the Owen Sound Regional Hospital.

Our community is in need of a new MRI system, at the Owen Sound Regional Hospital, to serve patients across Grey and Bruce and beyond. The MRI system is used over 11,000 times per year to diagnose a range of medical conditions.

MRI stands for Magnetic Resonance Imaging. Patients lay on a table that slides them into a very large magnet. With donor support, a new MRI system will provide a more spacious table and tunnel to accommodate larger patients, faster imaging to significantly reduce scan times, quieter tests so patients experience less noise, exceptional accuracy, new software for cardiac and prostate imaging, enhanced breast imaging for biopsy and detection and increased energy efficiency.

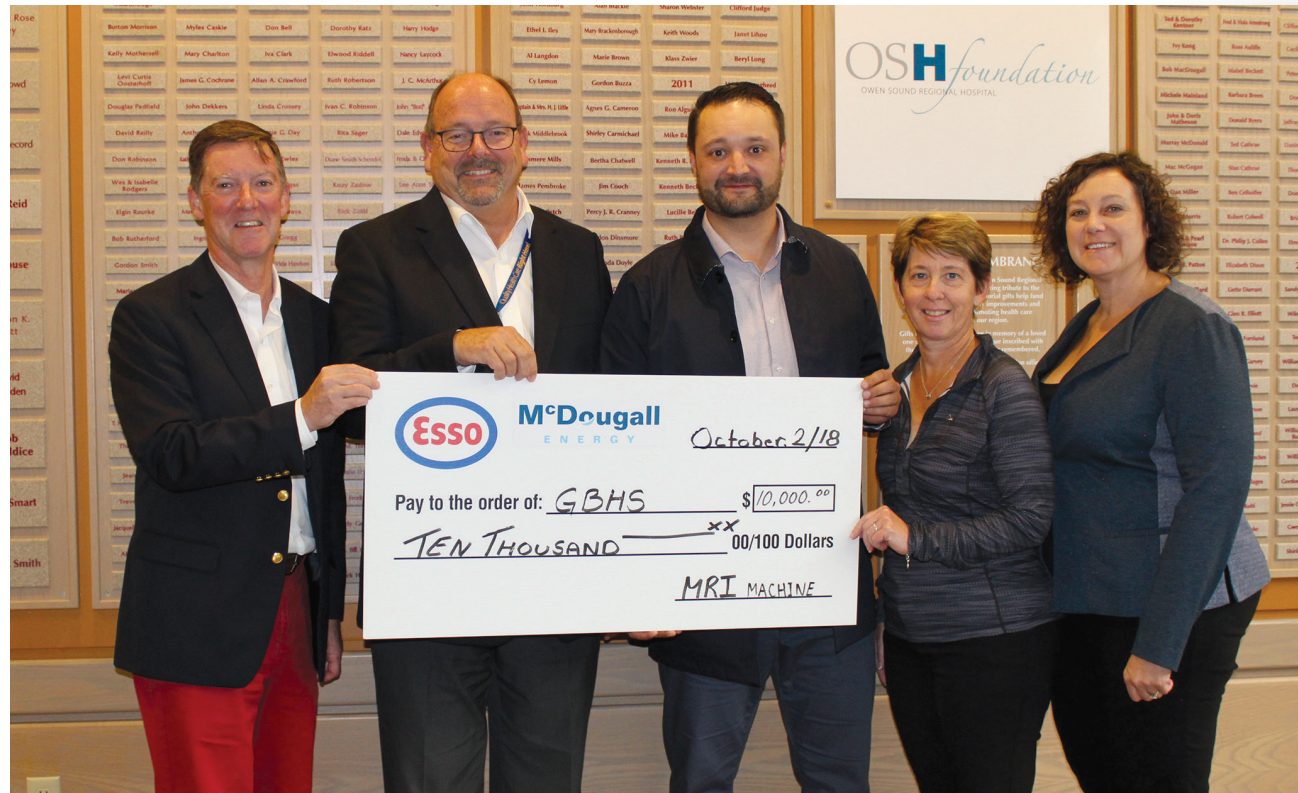

"Support from the community is essential in keeping the incredible health care services we have here in Owen Sound, right here – close to home," said Foundation Executive Director, Amy McKinnon. "Fourteen years ago the generous support of our community made the purchase of our first MRI possible. We are so grateful that our community is now supporting this replacement project, for the future of health care here in Grey Bruce."

Owen Sound Regional Hospital MRI staff members Matt Fry, MRI Tech, Shelley Boyd, Charge Tech and Matt Savage, MRI Tech help Foundation staff put the first decorations on the Guardian Angel Tree at the hospital.

CARING FOR TOMORROW ENDOWMENT GIVES \$500,000 TO HOSPITAL

Today, the Owen Sound Regional Hospital Foundation presented a cheque for \$500,000 to Grey Bruce Health Services' Interim President & CEO Maureen Solecki and Chief of Medical Staff, Dr. Mike Marriott. The funds were earned in the Foundation's Endowment during 2018.

"The Endowment reached two significant milestones this year," said Foundation Chairman, Derek Smith. "Its first disbursement was a modest \$20,000 back in 1998. These have grown each year as we deposited new donations. This year, the Fund is contributing a half million dollars!"

The Emerging Needs Fund contributed \$360,000 towards the hospital's most urgent needs for equipment. Contributions from named and designated funds were:

| | | | |
|------------------------|----------|--------------------------|---------|
| Cardiac Trust | \$13,000 | Rob & June Shouldice | \$2,000 |
| D.S. Fleming | \$4,000 | Catherine Taylor | \$7,500 |
| Peter Di Tursi | \$12,000 | Heart Care | \$1,400 |
| Brian Rudrick | \$4,000 | Jean Clugston | \$7,500 |
| Merna Litwiller | \$11,000 | Diagnostic Services | \$1,250 |
| Cancer Care | \$3,500 | Large and Cardoso Vision | \$7,000 |
| Lois & Donald Dowkes | \$10,500 | Helen Foster | \$1,000 |
| Percy & Kathleen Noble | \$2,750 | Gordon & Doris Wilkinson | \$6,100 |
| Robert Edgar | \$10,500 | George Chamberlain | \$650 |
| IPM 2004 | \$2,500 | Marie & Carl Kellough | \$5,000 |
| Chris Coulter | \$2,500 | Ruth Hindman | \$550 |
| Jessie Calder | \$9,500 | Tom Williams | \$5,000 |
| Howey Memorial Fund | \$9,000 | Rehabilitation | \$300 |

This brings the total provided from the Endowment for new medical equipment and staff education to more than \$5 million over its 23-year history.

Tom Foster of Markdale was on hand to present the cheque to GBHS. In 2005, he established an endowment in memory of his wife Helen to support continuing education and training of nurses.

"We started Helen's fund with a few small contributions and I donated each year. More recently, I purchased a life insurance policy, which will eventually contribute significantly more. Helen recognized a need to help nurses with specialized clinical training. I'm so proud to see her fund supporting nurses on the front lines of hospital care each year – I know Helen would be pleased."

From a new cast saw in Ambulatory Care to renovations and ceiling lifts for the Cardiac Care Unit to a number of pieces of laboratory equipment, endowment donors helped provide new medical equipment across 9 different hospital departments. \$10,650 of the total was designated for clinical staff education & training, with \$1,000 provided by the Helen Foster Endowment.

"Generous people entrust us with their legacy gift. It's their accomplishment," says Charitable Giving Advisor, Willard VanderPloeg. Hundreds of Will bequests and other legacy gifts have been added to the Fund, where they are permanently invested. A portion of the income earned supports new equipment at the Hospital every year.

Endowment donor Thomas Foster (centre) presents \$500,000 for medical equipment & staff training to GBHS Interim President & CEO, Maureen Solecki (left) & Chief, Medical Staff, Dr. Mike Marriott, (right). The funds were earned in the Foundation's endowment during 2018.

More information on the Caring for Tomorrow Endowment Fund is available by contacting the Owen Sound Regional Hospital Foundation at 519-372-3925.

VOLUNTEERS *make it happen*

Each year the Owen Sound Regional Hospital Foundation works to raise funds to support the purchase of new medical equipment and for staff development at the hospital. Many volunteers work on Foundation committees to support fundraising and governance.

From organizing our golf tournament to ensuring the proper investment of the endowment fund, volunteers make a critical difference.

Please join us in recognizing their contribution to better hospital care in Grey-Bruce.

Please note: the volunteers listed below served on committees during the 2018/19 fiscal year.

BOARD OF DIRECTORS

IN MEMORIAM

There is no finer way to honour the memory of a departed loved one than to make provision to those who remain. In Memoriam donations to the Foundation help improve health care for the entire community. The names of everyone for whom we have received an In Memoriam donation are recorded in the hospital lobby. The following people received donations in their memory between March 31, 2018 – April 1, 2019

| | | | | | |
|------------------------|----------------------------|----------------------------|---------------------------|--------------------------------|-----------------------------|

MCHAPPY DAY

On Wednesday, May 2, 2018, community members from all over Grey and Bruce Counties checked in at their local McDonald's Restaurants to support McHappy Day; a fundraising event hosted by Owen Sound, Meaford and Port Elgin McDonald's Restaurants.

On McHappy Day, \$1.00 from each Big Mac, Happy Meal or any size hot drink helped support the purchase of five new bassinets for the Owen Sound Regional Hospital's Women & Child Care Unit. These bassinets promote mother-to-infant closeness right from the bedside.

In total, \$19,427 was raised by the community. We are so grateful to everyone who made this day possible!

OWEN SOUND ATTACK WARM UP JERSEY AUCTION

The Owen Sound Attack Warm Up Jersey Auction was another success this year!

During the 2018-19 season, the Owen Sound Attack wore specialty jerseys during their pre-game warm-ups. The game worn jerseys were auctioned off through a silent auction at the final three regular season games. Additional unworn jerseys were sold in the Attack Store, during the playoffs.

We are pleased to announce that this auction raised \$7,400! Thanks to Lerner's Personal Injury Lawyers and Bertrand & Muzzell Paralegal Services for donating the cost of the jerseys. Funds raised from the jersey auction were donated to support the Intensive Care Unit at the Owen Sound Regional Hospital.

FEAST FOR THE FOUNDATION

On Friday November 23, 2018, the first ever Feast for the Foundation was held at Georgian College in Owen Sound to benefit the Owen Sound Regional Hospital Foundation. Over \$17,000 was raised to support mental health. This sold out event, sponsored by Lerner's Personal Injury, was a new concept and we were blown-away by the support from the community.

Guests enjoyed a fabulous array of dishes prepared by the students of the Georgian College Culinary Management program. Food was donated from many local food producers including CedarCrest Trout Farm, Dejong Acres and Good Family Farms. Local libations were donated from MacLean's Ales, Neustadt Springs Brewery, Beaver Valley Cidery and Coffin Ridge Boutique Winery. Bruce Power also came on board to sponsor this event.

We have to thank all of our sponsors, auction donors, guests and other dedicated community members who came together to raise funds for the hospital and more specifically mental health.

RADIO FOR ONCOLOGY RADIOTHON.

On June 27, 2018, an enthusiastic team of staff from 92.3 The Dock, got together, with their equipment, to broadcast from the Owen Sound Regional Hospital. Many volunteers attended to help answer telephones and meet donors at the door of the hospital. Along with generous community sponsorships, pledges and gifts, this event raised a recording breaking \$40,641! We continue to be amazed by the support this community provides for local health care.

92.3 The DOCK has pledged \$250,000 towards improving cancer care at the Owen Sound Regional Hospital. All donations are used to support the purchase of new diagnostic and medical equipment used throughout the hospital to treat cancer patients.

CONCOURS D'ELEGANCE

Owen Sound Regional Hospital Foundation was honoured to be the local charity partner of the Cobble Beach Concours d'Elegance, for the fourth year, in September 2018.

This year, Concours d'Elegance Cars and Coffee and raffle proceeds helped provide support for the purchase of 10 new anesthesia machines for operating rooms at the Owen Sound Regional Hospital and 1 specialized anesthesia machine for use in the MRI suite. The anesthesia machine is the primary tool used by the ten anesthesiologists working in the Owen Sound Regional Hospital's ORs.

In total, \$11,000 was raised at the event. Thank you to everyone who participated in the event! Your support ensures we continue to offer quality health care, right here in our community.

BUSINESS AND CORPORATE CLUBS AND COMMUNITY ORGANIZATIONS

This listing includes businesses and corporations that have contributed \$100 or more to the Foundation between March 31, 2018 – April 1, 2019. Thanks for helping to enrich our community by supporting the Hospital.
